

## COCO REEF RESORT

The highlights of this traditionally designed resort are its beautiful location on the island's South Shore and the welcoming and casual atmosphere. You can spend your days swimming in or relaxing beside the pool and enjoying the panoramic ocean views. Perhaps rent a bike and explore a little further afield or ask the hotel to arrange a snorkelling trip. The resort also offers an ideal base from which to explore the nearby cities of Hamilton and St George's and the Paget Marsh and Nature Reserve.
