

## THE REEFS RESORT & CLUB

One of Bermuda's finest resort properties, The Reefs has been welcoming guests since 1947 with the traditional hospitality for which the island destination has long been famous. Crowning a cliff and overlooking its own private pink sand beach and the turquoise waters that surround Bermuda, The Reefs is in Southampton parish on the South Shore of the island. Lush tropical flowers - hibiscus, oleander and bougainvillea - cascade down the salmon pink-and-white property. An intimate resort with only 65 guest rooms - including seven Cottage Suites on the grounds - the atmosphere is relaxing and the service welcoming.
